Pastor’s Column...

SECOND SUNDAY OF EASTER THE EXPERIENCE OF ‘DAWN’ (John 20:19-31)

Years ago, an old municipal lamplighter, engaged in putting out his lights one by one, was met by a reporter who asked him if he ever grew tired of his work in the cold dark night of labour. “Never am I cheerless”, said the old man, “for there is always a light ahead of me to lead me on!” “But what do you have to cheer you when you have put out the last light?” asked the news writer. “Then comes the dawn” said the lamplighter.

The disciples experienced “DAWN” when Jesus came and stood in their midst saying “Peace be with you.” Do we experience “DAWN” in the presence of the Risen Lord?

I wish to extend our **DEEP APPRECIATION** to all who participated in the **HOLY WEEK** celebrations. Many thanks to Fr. Lukose and Deacon John Kennedy; the children’s liturgy team who led the special Good Friday service for children; our RCIA team who worked to prepare our catechumens for Baptism, First Holy Communion and

Confirmation; our Liturgy Committee, lectors, eucharistic ministers, mass coordinators, Knights of Columbus, altar servers, decorators, Hospitality Committee and our music ministers, who came together and created "a joyful noise to the Lord". It was a wonderful witness to see the span of generations and our young people so involved. It was a wonderful week! Thanks a lot dear Parishioners!

Also a special **THANK YOU** to all who donated money to purchase Easter flowers in memory of a loved one.

God Bless,

Fr. James Raphael CMF
Pastor

Social Action...

MISSION, PEACE, AND DEVELOPMENT

The current National Geographic is a special issue (Water: Our Thirsty World). Among the many articles, one on the ramifications of the melting of Asian glaciers is particularly informative. Another detail the burden African women endure to fetch water each day. Some factoids: women in developing countries walk an average of 3.7 miles to get water; our daily water usage is 20 times that of the world's poorest; one of eight people lacks access to clean water. As earth's population increases, water demand will keep growing unless we change how we use it.

ENVIRONMENTAL STEWARDSHIP

Spring is in the air! It is the time we pay attention to both the outdoor and indoor environments. As Katherine Whitehorn writes, "Spring makes everything look filthy." The good news is that we can do something about it. Join fellow parishioners on Parish Clean-Up Day on Saturday, May 01. For indoor cleaning, natural cleaning agents such as baking soda, vinegar, lemon and water can be used to clean. For more information you can visit Earth Day Canada's EcoAction Teams website at www.ecoactionteams.ca

MEN'S CURSILLO: April 15 – April 18: A Cursillo or a Journey weekend is not a retreat. It is a shared experience with a Christian community you will form with other lay adult Christians for three days; a new awakening to a deeper friendship with Christ. There is room for 20 more candidates. Applications are on the website: <http://www.ottawacursillo.ca>.
